*** To create a Custom Exam:**

Log in to *my.stcusa.com*. From your Dashboard, select *Final Exams*, then scroll down and select *Create a Custom Exam*. Now, select the appropriate chapter number and, at the bottom of the screen, enter 10 in the *Number of Questions* box, and then selects *Build Exam*. You can choose whether or not to have the explanation appear after each question is answered.

For the Final Exams: An examination should first be taken with the SHOW EXPLANATIONS turned ON. After completing all of the examinations with SHOW EXPLANATIONS switched on, begin the process over again by retaking each examination without the explanations shown.
